

DISNEY'S FORT WILDERNESS RESORT & CAMPGROUND APPROVED CAMPFIRE PITS

Please notice the solid metal top design preventing an exposed flame and the releasing of embers or sparks. These pictures are solely provided as an example and not just limited to these types of models. Please ask to see a manager if you have any questions regarding your fire pit.

DISNEY'S FORT WILDERNESS RESORT & CAMPGROUND UNAPPROVED CAMPFIRE PITS

Please notice that these models do not have a solid metal top and allow an exposed flame, and the releasing of embers or sparks.

Propane fueled campfire pits that have an exposed flame are not permitted.

Also artificial fire logs are not permitted in a device that allows an exposed flame.

These pictures are solely provided as an example and not just limited to these types of models. Please ask to see a manager if you have any questions regarding your fire pit.
